SPELLING STRATEGY

Analyzing Words

When you proofread, make sure that each sound is represented by the appropriate letter or letters.

- Read the newspaper article. Circle the ten misspelled words. Then write the words correctly.

Local Students Win State Contest

Chin Hu and Antonio Salazar won first place in the Make-and-Fly Remote-Control Airplane Contest. "We experemented with different control mechanisms for a long time," Chin recalld. "We repeeted each experiment, regardliss of its outcome, to be sure our results were relyable. It was worth all the hard work when we releeced our plane at the competition."

Ms. Stephanie Bibo, their teacher, commented, "Their work was interesting in several respexts. Both students were so enthusiastic in exploring the possibilities for remote-control planes that there was no restrayning them!"

Antonio's father, Hector Salazar, said, "These kids exagerrated only a little when they said that working on this project was their whole life. I'm glad they succeeded!"
