If you have any questions, please call me!

Classroom News

CLASSROOM WEBSITE

<http://www.buffaloschools.org/webpages/awisholek/>

My classroom website is extremely beneficial to your child's learning!

It will have any Math and Science Games related to what we are studying! The students know how to log on. Please encourage the students to log on the website at home or at the library. It will benefit their test scores.

Science

We are studying the solar system! Make a trip the library and take out any solar system books to read with your child!

Math

We are beginning Multi- Digit multiplication! Please practice with your child at home!
