

Book Review Expectations:

1. Read the book you have chosen, *in its entirety*.
 - a. Saying you didn't finish reading is not an excuse for not turning in a Book Review.
 - b. You are responsible for managing your time to finish reading the book you have chosen.
 - c. Books must be age/content appropriate – if you are not sure, ask me first.
2. Complete the Book Review as it has been assigned.
 - a. Your task will *NEVER* be to simply provide a summary of the book.
 - b. Your task will *ALWAYS* give you the opportunity to show that you have read the book and been a close/active reader, which means you thought about the text as you read.
3. Submit the Book Review via Schoology, on time.
 - a. Check early that the document works. If you have technology problems, you are responsible for getting a paper copy *BEFORE* the due date.
