

Knock Knock

A second, a minute, an hour, a day goes by
I'm hopin' just to be by your side
I'm turnin' the handle, it won't open
Don't make me wait 'cause right now I need your smile...

Knock, knock

When life had locked me out I turned to you
So open the door! 'Cause you're all I need right now, it's true
Nothin' works like you

Lil' louder, lil' louder, lil' louder knockin'
Lil' louder, lil' louder

A warm bath, a good laugh, an old song that you know by heart
I've tried it but they all leave me cold
So now I'm here waitin' to see you
My remedy for all that's been hurtin' me...

Knock, knock

When life had locked me out I turned to you
So open the door! 'Cause you're all I need right now, it's true
Nothin' works like you

You seem to know the way
To turn my frown upside down
You always know what to say
To make me feel like everything's okay

When life had locked me out I turned to you
So open the door!
'Cause you're all I need right now, it's true
Nothin' works like you

Lil' louder, lil' louder, lil' louder knockin'
Lil' louder, lil' louder, lil' louder knockin'
Lil' louder, lil' louder, lil' louder knockin'
Lil' louder, lil' louder

When life had knocked me down I turned to you
And you opened the door
And you're all I need right now, it's true
Nothin' works like you
