**¡Bienvenidos!**

Welcome back! I am glad that you are all taking this opportunity to continue the study of the Spanish language. Throughout the course of this year you will continue to expand upon your ability to speak, listen, read, and write in a foreign language.

**Course Overview**

This year you will be studying the Spanish language through the use of numerous resources. Some of the topics that will be covered and reviewed this year are as follows:

- present tense
- future tense
- preterite tense
- imperfect tense
- commands
- conditional tense

You must pass the Spanish 2 final exam as well as the course in order to continue on to Spanish III. Following Level III Spanish, all students will take an exam in June made by The American Council on the Teaching of Foreign Languages; students must pass the exam and course in order to receive their regent's diploma with distinction which is a requirement at DaVinci High School. Throughout this course, students will review important grammatical topics and continue building vocabulary. Students will also continue to work on their abilities in reading, writing, listening, and speaking.

## Grading Procedure:

Grades for this class are based on the following items that which will comprise your quarterly grades:

1. Being prepared to class- This means bringing all your materials to class and being prepared to work. If you are not prepared for class you will receive a homework detention.
2. Homework [25%] [a minimum of 20 assignments per quarter]- Homework will not be accepted late!! Homework must be in the classroom on the day that it is due; I will not accept homework later in the day. (If you do not have your homework to turn in by the time it is collected in class you will receive a homework detention)
3. Quizzes and Tests [25%]- There will be a quiz or test EVERY Friday. There will be no excuse for not taking the quiz or test. [When absent you are still required to take the quiz or test the day you return]

5. Class Participation [25%]- Including your pregunta del dia and responding to class discussion questions. We complete the pregunta del dia every day in class there is absolutely no reason to not turn this in.

## Absences:

If a student is absent from school, it is his or her own responsibility to inquire about the work that was missed. School policy will apply to all work missed due to absence. You will have the same amount of days absent to make up the work. Extra help is always available after school. If you are absent for an extended time and would like to complete the work at home you may email myself and/or contact a student in the class to collect work for you.

## Classroom Rules:

1. Arrive to class on time and prepared to work. Tardy to class without a pass will result in detention. Failure to be prepared to work will also result in a detention.
2. Follow directions and remain on task. Do not talk when I am talking.
3. Remain in your seat at all times, unless you have been given permission to move. I dismiss the class, not the clock.
4. Do not bring food or drinks into the classroom. Cell phones and MP3 players will not be tolerated in the classroom environment. Your electronic device will be collected for the duration of the day or turned into the main office. After a warning I expect to never see your electronic out again for the duration of the school year.
5. Be respectful of your teacher and classmates.

## Behavior Consequences:

1. Warning / Conference with student / Detention
2. Phone Call to Parents
3. Written Referral
4. Conference with Parents and Counselor

## ¡Competición!

Every month you will be completing a practice regents exam. This will count towards your grade. If you receive points for your class based on your score. The class with the most points by June will receive a fiesta!

**100%= 3**

**90-99%= 2**

**80-89%=1**

## ¡GANASTE!

Ganaste is a new and exciting addition to Spanish 3 this year! Ganaste is a way for you to gain extra points on a quiz, test, free homework pass or even credit for a homework assignment that you forgot to complete. You can also use it to help keep you prepared for class with pens and pencils. You will receive a ticket for completing the pregunta del dia on the activeboard, for receiving a grade that will be decided based on the quiz or test [for example: 90% or higher on this Friday's quiz], for actively participating or helping one another with trying to improve each other's Spanish abilities.

There are numerous ways to receive tickets. Each ticket will give you the following two tickets!

**PRINT YOUR NAME ON BOTH TICKETS!**

You will keep this coupon in an envelope and these will need to be saved for your participation grade.

You will print your name on the back of this ticket for an opportunity to win prizes throughout the school year. The more tickets that you have in the higher your chance of winning! You can also put them towards the listed materials in the classroom.

**If all aspects are followed and completed then we will have a wonderful and enjoyable year!!**
