# Table Tennis Crossword

Complete the activity.

## ACROSS

1. The most popular grip, resembling shaking hands with the racket while giving a player the best balance of forehand and backhand shots
3. A strategy that attempts to win points on the third ball over the net, with the server attempting to loop or kill the return of serve
5. Forward spin that is imparted by an upward stroke
9. An attacking stroke made against an attacking stroke
10. A short return that falls just over the opponent's side of the net

## DOWN

2. A hard, flat attacking stroke
4. A return shot where the racket is held in front of the ball with little movement at the point of contact
6. The player due to strike the ball first in a rally
7. The part of a match completed when one player has scored at least 11 points and at least 2 more than the opponent
8. A gentle stroke intended only to keep the ball in play
