

# Newbery Book Report

## 4<sup>th</sup> Grade

Due: \_\_\_\_\_

Each year, The American Library Association awards the “Newbery Medal” and “Newbery Honors” to the outstanding children’s books published during the previous year. These medals have been presented each year since 1921. The medal was named in honor of eighteenth-century British bookseller John Newbery.

## Read a Newbery Award winning book!

### Make a “Box It” book report!

### Follow the directions on the back of this page.

# NEWBERY "BOX IT!" BOOK REPORT - 4<sup>TH</sup> GRADE

Students can combine their artistic and writing abilities to evaluate literature in "Box It!"

Using an empty cereal box as a form, students cover each of the sides in the following ways. Be sure to leave the slit and tab at the top of the box operational. Students need to be able to open the box.

## FRONT:

\*Draw and color an original illustration to cover the front of the cereal box. Do not use the same picture that is on the book cover. Pictures printed from the computer are not allowed.

\*Include on this section:

- title of book
- author
- your name

Study the example below.

## SIDES:

\*Paper-cover both narrow sides.

\*On one of the sides, list the "ingredients" (characters) in the story. Write a sentence describing each character. There must be at least 3 characters listed.

\*On the other narrow side, describe the setting (time and place) of the story. Write at least one sentence describing the time. Write at least one sentence describing the place.

## INSIDE THE BOX:

\*Place a "prize" inside the box. The prize should be something that relates to the story. You will get the item back.

\*On an index card or piece of paper write a brief paragraph explaining how the prize relates to the book.

## BACK:

\*Paper cover the back of the box.

\*Neatly write a plot summary and attach it to the back of the cereal box. See the example at left.
