Subway Fyler 20/50: Very plain and does not catch my eye. Your words at the bottom should've been a lot bigger. This should've made me want to go to subway.

Party Fyler 10/50: Info is very plain and who is the party for? How do you r.s.v.p? Your balloons pic is cut off. Not eye catching. If I were your customer I would not buy these from you.
