To find my family, is no more  
I found my family that is to adore  
I feel as if i'm complete  
Isn't life just so sweet  
To find my family is no more  
I feel as if I could soar.  
To find my family was a dream  
Now my family flows down the stream  
To find family, is no more  
I've completed my family tree chore.

Whatever the weather,  
Whether we like it or not.

Education is a life sustaining material  
Without it we can't lead a life which is congenial

Education not all about bookish knowledge  
But it is also about practical knowledge

Education helps a person to fight with all his foes

He can be destroyed but not be defeated

Education helps us to distinguish between what is right and what is  
wrong  
Education is like playing ping pong
