

Ashley Nice Job!!! 20/20

When you really want something,
Sometimes you have to swim a little
deeper... You can't give up just
because things don't come easy...
You have to overcome the obstacles,
and face your fears...
But in the end, It's all worth
while! Life is full of ups and downs,
But if you believe in yourself
you will always come through with
flying colors... Value friendship,
love and faith... Never
underestimate yourself.
Believe in yourself...!
Have A Good Life.

I am loved and loving.
I am surrounded by love.
I easily attract loving people and experiences into my life.
I embrace and claim a life filled and overflowing with love.
I am grateful for the love that surrounds me.
My circle of loving friends continues to expand.
Love is what I am.
I am a magnet for more and more love.
I joyfully express love everyday.
I love myself exactly the way I am.
I radiate love to everyone and everything.
The more love I give, the more love I receive.
The love in my soul freely and fully expresses itself.
Love is all around.
Today I release the past and allow the healing power of
love into my life.
I am in love with my life.

As we look back over time
We find ourselves wondering

Did we remember to thank you enough
For all you have done for us
For all the times you were by our sides
To help us and support us

To celebrate our successes
To understand our problems
And understand our defeats
Or for teaching us by your example
The value of hard work, good judgement,
Courage and integrity

We wonder if we ever thanked you
For the sacrifices you made
To let us have the very best
And for the simple things
Like laughter, smiles, and the times we shared

If we have forgotten to show our
Gratitude enough for all the things you did
We're thanking you now
And we are hoping you knew all along
How much you meant to us
