A family
like no one can see
a family
everyone wants to be
family love
comes from above
family love
is softer than a dove

Horrible Weather
Staying in bed
weather
Cuddling up close
weather
Ignoring the world
weather

Life defines in metabo-
lism,
In reproduction,
we make our miniature
selves,
our look alike
In the power of adaptation,
like what is in now,
What is fashionable,
how I blend with all of you
How I mimic you,
how I become a clown to you,

Education is important
Right from when an
infant

Education is not about col-
lege
It entails a wider range of
knowledge
Supplying a market of skills
shortage
